## SAHAR QASIM YOUSEF ABDULLAH

+962 789782639

Email: saharqas@hotmail.com

Date of birth: 18.01.2000

Place of birth: Amman - Jordan

Highly self motivated to exceed expectations and insatiable at learning ,Good reputation for strict adherence to project specifications, comprehensive report development, excellent communication skills, and being a fantastic team player.

### Education

Bachelor degree in Medical laboratory science- the Hashemite university  
(2018-2022)

GPA ( 3.2/4.0 very good )

### Experience

#### **Process and Cleaning validation at Amman Pharmaceutical Industry (2024 April- present)**

My work involved collaborating with cross-functional teams to assess process efficiency and identify areas for improvement, resulting in enhanced operational performance and reduced risks. I have a strong understanding of quality assurance principles and have consistently maintained meticulous documentation throughout the validation lifecycle. This experience equips me with the analytical and problem-solving skills necessary to contribute effectively to risk management and operational excellence in the insurance sector and ensuring quality control and professional development.

#### **Quality control at Jordan medical solution manufacturing (2022 November - 2024 April )**

this experience gained me a massive experience in performing method validation , analysis according to SOPs ( standard of procedure) , which was prepared based on British pharmacopoeia and other internal sources , as well as Investigate and resolve compliance matters, questions, or complaints and submit reports to regulatory authorities, as required.

#### **Part time lab technician at Retal lab ( July- November 2022)**

I have gained a massive experience in all lab departments starting from reception department taking needed information ,dealing with phones coming from doctors and hospitals , scheduling patient's appointments and dealing
